## SECTION 8

### BUSINESS PROCESSES AND DOCUMENTATION

#### 1. CARGO DUES ORDER

Cargo Dues Orders must be presented at the port where the consignment will be landed/ shipped/transhipped. For the inland port of City Deep container cargo dues orders will be accepted for all ports at our Johannesburg Revenue Office. Overborder offices will still accept cargo dues orders for containers.

Cargo dues is payable by the importer/exporter of cargo who may appoint a clearing and forwarding agent to undertake transactions on their behalf. The account number appearing on the cargo dues order will be debited accordingly.

In instances where cargo dues orders have not been received, such charges will be billed to the container operator for container traffic and the vessel agent for bulk and breakbulk traffic.

ISO containers filled with MT returns of whatever nature being returned for filling, provided a certificate is given to the effect that they are being returned to the original sender for refilling, as well as new MT ISO containers will be regarded as an empty container. Transhipments are excluded from this ruling.

Cargo Dues Orders can be grouped and submitted as a list, i.e. one order supported by a list containing the relevant container numbers, to the relevant Port Revenue Offices, as follows (Imports and Exports separately):

- **Containers: On a per vessel, per container operator basis, separated between deepsea, coastwise and transshipment movements.**
- **Breakbulk and Bulk: On a per vessel, per agent basis, separated between deepsea, coastwise and transshipment movements.**

A single Cargo Dues Order can also be submitted for multiple containers provided that the container numbers are indicated on the order and import and export orders are submitted separately. Orders should further be separated between deepsea, coastwise and transhipments.

In instances where cargo dues orders have not been received, such charges will be billed to the container operator for container traffic and the vessel agent for bulk and breakbulk traffic.

Cargo Dues Orders submitted for individual LCL consignments will be invoiced at the full cargo dues tariff per TEU as published in the Tariff Book. In all cases, a Cargo Dues Order must be presented, indicating all the container numbers on the order, or alternatively the Cargo Dues Order can be presented, with an attached list containing the relevant container numbers.

## 3. PENALTIES

### 3.1 Penalties for late submission of Cargo Dues Orders

Cargo Dues Orders will be considered late when submitted after the agreed upon timeframes for documentation. The Authority will charge interest on the normal cargo dues payable, calculated at the prevailing prime rate plus one percent of the value of the Cargo Dues Order. The following **example** illustrates this calculation:

Prime Rate 10.5%  
Prime Rate plus 1% = 11.5%  
Value of Order R10 000  
Number of days late 14  
Interest Calculation  $(11.5\% \times (14/365)) = R44-11$   
Total Cargo Dues Payable R10 044-11

The first public holiday and first weekend will be excluded if it falls within the number of days that the Order has been submitted late for purposes of interest calculation.

Tariffs subject to VAT at 14%: Tariffs in South African Rand

### 3.2 Non-submission of Cargo Dues Orders

The Authority will apply an incremental penalty based on the cargo dues payable and dependent on how late documentation is submitted or when a non-submission is discovered by the Authority's internal verification process. This penalty will be imposed 30 days after vessel arrival for imports and 30 days after vessel departure for exports. The incremental penalty is tabled below:

Number of days late	Penalty application
31-60 days	10%
61-90 days	30%
91-120 days	50%
>120 days	100%

Where cargo documentation is submitted, whether timeously or not subsequently cancelled for whatever reason and resubmitted, interest/penalty charges if applicable will be levied from the date of the newly submitted order in addition to the cancelling fee of R250.95 per order.

### 3.3 Late and incomplete or non-submission of Manifests

The penalty for late and incomplete or non-submission of manifests will be R1,254.75 per manifest. The Authority will determine non-submission of Manifests through its internal verification processes.

### 3.4 The responsible parties for the penalties is stipulated in Section 8, Cargo Dues Orders (Page 8.1) and Responsible Party (Page 8.4).

## 4. CANCELLING ORDERS

Incorrect orders must be cancelled and a new order must be submitted. The cancelled order must be attached to the new order. Cancelling orders must be submitted to the Authority within the stipulated timeframes. Cancelling orders submitted outside of this time frame will attract penalty / interest charges equivalent to the late submission of cargo dues orders and thereafter a non-submission 30 days after vessel arrival / departure for imports / exports. Cancelled cargo dues orders will attract an administrative fee of R250.95 per order.

## 5. TERMINAL OUTTURN REPORT

Outturn reports are required on a per vessel basis from all terminals at the respective ports, within 72 hours after the vessel completed working.
